1. Ready to assemble.

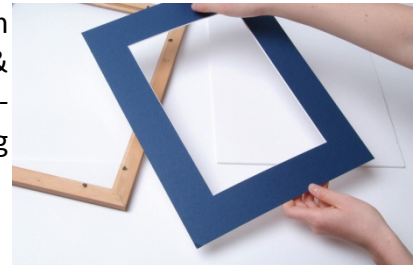

2. Place the frame face-down & bend the tabs back.

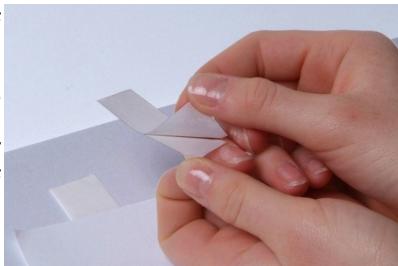

3. Remove backing board & matboard by lifting both out, leaving the glass in the frame.

4. Separate the mat from the backing board & place your item face-up on the backing board.

5. Peel hinging tape off the paper. Attach 2 strips to the top rear side of your item – half on your item, half above.

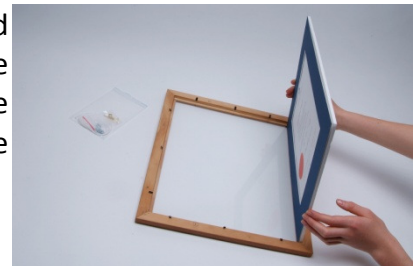

6. Hold the mat face-up & align it centrally over your item then press down.

7. Carefully turn over the mat & your item. Apply firm pressure to the hinging tape to ensure it bonds well.

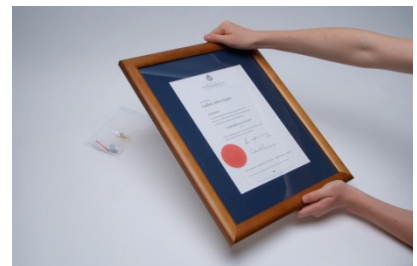

8. Insert your hinged item into the frame face-down against the glass & place the backing board on top.

9. Bend the tabs back down.

10. Ready for cord.
